### EDUCATION

---

#### Covenant University

Bachelor of Engineering (B.Eng.), Computer Engineering (4.92/5.0 CGPA)

Ogun, Nigeria

**2022 - present**

#### Redeemer's University Staff School

West African Secondary School Certificate  
(7 Distinctions)

Osun, Nigeria

**2016 - 2022**

### WORK EXPERIENCE

---

#### MindMaze Architects (*School Competition*)

*Software Developer*

Covenant University

**Aug – Sep 2024**

- Collaborated with a team of 3 developers to design and develop a word-game application using Python's **pygame** library, delivering the final product **1 week ahead** of schedule.
- Leveraged **Git** for version control, leading the team's codebase management and merge processes, and ensuring smooth collaboration across development phases.

#### Pion

*Web Developer*

Covenant University

**May 2023 - 2024**

- Designed and developed the company's landing page using **Hocoos website builder**, customizing the layout and functionality to meet business requirements.
- Tweaked and optimized the underlying **HTML and CSS** code to improve website performance and user experience.

#### Digital Dreamscapes: Ascension

*Technical Lead*

Covenant University

**Nov 2024 - June 2025**

- Led technical execution of **Ascension 2025**, a multi-round coding competition with 28 participants, including challenge design, judging logic, and infrastructure planning.
- Built internal tools (e.g., JudgeBot) to streamline judging, scoring, and data collection across all rounds.

### LEADERSHIP EXPERIENCE

---

- **Head Prefect – Redeemer's University Staff School**
- **JETS Club Vice President - Redeemer's University Staff School**
- **Advisory Head – Digital Dreamscapes**
